Dear Mr Strauch:

I am writing to enclose the schedule of our home games for the first half of the season. You know we make our schedule up in halves.

I want to remind you at this time also I am depending on you to work our opening game behind the plate. The opening day ceremonies begin at 1.30, and are usually on time. I would appreciate it if you could be there before then if possible, as we usually have a very big crowd that day, and there is always a little confusion.

Thank you for your cooperation.

Very Truly Yours
